### **May 2017**

**(v.17.01)**

---

### **SOFTWARE UPGRADES**

**For Word customers only:** The software has been revised so that when you send a document to Word you will not need to manually activate the cross-referencing. Instead, you will see a new message which will also include a "Do not show this message again" checkbox:

**FORMATTING COMPLETE.**

**AFTER THE DOCUMENT IS EDITED, press Ctrl+A, and then F9 (or Alt+Shift+U) TO UPDATE REFERENCES.**

This is a reminder that when you make changes to your document, you will need to execute this command to re-format your document.
